Chas. H. Smith

I shipped this man at King Geo Sound
for the voyage - in going from there
to Bunbury - came to the conclusion
he was not good for much. People
at B told me he was very sickly and
not of much use anywhere - He had
been living in that place for sometime.

I gave the Police no directions to take
him after he deserted but as he was latter
should be obliged to carry him to see
so thought it better to let him go and
ship a good man in his place.
